◆ **OCTOBER is the month of the ROSARY.** "The most important reason for strongly encouraging the practice of the Rosary is that it represents a most effective means of fostering . . . that commitment to the contemplation of the Christian mystery (and) . . . a genuine 'training in holiness' . . . What is needed is a Christian life distinguished above all in the art of prayer . . . it is more urgent than ever that our Christian communities should become 'genuine schools of prayer' . . . (The Rosary) is a typically meditative prayer, corresponding in some way to the 'prayer of the heart' or 'Jesus prayer' . . . of the Christian East" (The Rosary of the Virgin Mary, Pope John Paul II, #5).
