ANTI-PORN WEB SITE: Aims to help youth and adults overcome addiction.

Matthew Fradd, a former missionary with National Evangelization Team Canada ministries has created a web site, www.whodoesithurt.com, to expose the damaging nature of pornography. People from all walks of life and varying backgrounds are struggling with pornography and many of them are youth. The average child is exposed to Internet pornography by the age of 11 and many struggle with pornography addictions while their parents are totally unaware. The site includes articles written by men and women from varying backgrounds as well as the damaging effects of pornography, practical steps to overcome the addiction as well as addressing the full spectrum of people trapped by pornography.
