### **PASTOR'S CORNER**

As we begin Lent, I would like to share with you some words of wisdom from our Holy Father's Lenten letter (I also invite you to read our bishop's letter in the bulletin insert). Pope Benedict's theme for Lent 2010 is God's justice. He explains, "The Christian Good News responds positively to man's thirst for justice, as Saint Paul affirms in the Letter to the Romans: "But now the justice of God has been manifested apart from law ... the justice of God through faith in Jesus Christ for all who believe" (Rom 3:21-25) ... it is the justice that comes from grace, where it is not man who makes amends, heals himself and others ...

In reality, here we discover divine justice, which is so profoundly different from its human counterpart. God has paid for us the price of the exchange in His Son, a price that is truly exorbitant. Before the justice of the Cross, man may rebel, for this reveals how man is not a self-sufficient being, but in need of Another in order to realize himself fully. Conversion to Christ, believing in the Gospel, ultimately means this: to exit the illusion of self-sufficiency in order to discover and accept one's own need – the need of others and God, the need of His forgiveness and His friendship. So we understand how faith is altogether different from a natural, good-feeling, obvious fact: humility is required to accept that I need Another to free me from "what is mine," to give me gratuitously "what is His." This happens especially in the sacraments of Reconciliation and the Eucharist."
