PASTOR'S CORNER

Dear Brothers and Sisters in Christ,

This past week I spent two days, in my role as Vocations Director, visiting our Ottawa seminarians at **ST. AUGUSTINE'S SEMINARY** in Toronto. As I have mentioned before, we have 8 English seminarians, the most we have had in over 20 years. I attribute this to the prayers of many people - so please keep up those prayers for vocations!

During my visit, I could tell that our seminarians are happy. The Seminary offers a spiritually rich and fulfilling life centered on Christ, whom the men encounter in the Eucharist, personal prayer, study and fraternity. The seminarians also do some sort of community service in their second year, and spend a year working in a parish for their third year (pastoral internship).

I also want to assure people that the screening process is rigorous, and includes psychological testing; the seminarians are also reviewed by the Seminary each year. However, our goal is not mainly to guard against the possibility of future scandal, but to help form future saints! The Church in Canada and throughout the world can only be renewed by holiness, among bishops, priests, and laity. Let us continue to pray for the New Pentecost and the New Evangelization!

In Christ, Fr. Tim
