PASTOR'S CORNER

In today's gospel, Jesus reminds us that in our relationship with God, it is the purity of heart that counts! Christianity is a religion of the heart. It is not what goes in, but rather what comes out of a person, from within, from the heart that defiles a person. Consequently, the challenge facing us today is to constantly purify our hearts, in order to maintain an ever growing intimacy with God.

Labour Day

Labour Day celebrates everyone who has done honest work for the enrichment of our world. It is a time to appreciate the value and the dignity of human labour and the reward it brings. The ability to work is man's natural endowment from His Creator. Therefore, our government and leaders should do everything within their power to create jobs for the unemployed, work for the protection of the rights of workers and to minimize oppression by their employers. This weekend also we start a new season in the life of our parish family which promises to be really exciting with the School of Evangelization retreat coming up (Sept. 13-16) and the Year of Faith. Details will be in next week's bulletin.

Thank you

Last Saturday, Sept. 25, our parish hosted for the first time the Pro-Life mass – which is series of masses celebrated across the diocese every month for the establishment of Pro-Life medical centres in Ottawa and around the world. I want to thank all our Parishioners especially our CWL for their hard work in organizing and serving lunch to the nearly 150 people who attended the mass. The pro-life doctors and supporters were quite impressed and appreciative of the parish's warmth and hospitality!

Peace to all!!

Fr. Paul

(Average weekly collection needed to cover all expenses: \$3,000.00)

Thank you for your generosity & support.

SPECIAL COLLECTION: Sept 1/2nd Sept 8/9th, 2012

The recent drought conditions in our region give us some slight idea of the conditions in the Sahel and in West Africa, which has experienced extreme dryness with the risk of famine. The Holy Father has asked that for the Church to take "serious action to relieve the extreme poverty of these peoples whose living conditions are deteriorating".

So, in concert with my brother bishops across Canada, I ask you to invite our faithful to consider a generous donation to assist the needy in West Africa and the Sahel. Recently, our own Canadian Government has indicated its willingness to match dollar-for-dollar contributions made to this cause up to and including September 16. To this end, I invite you to take up a collection for this cause at the following Lord's Day celebrations (September 1-2 and September 8-9)
