Pastor's Corner

On this second Sunday of Lent, we hear the story of Jesus becoming radiant and aglow in the presence of three of His apostles and two great OT figures, Moses and Elijah. The Transfiguration event is an invitation for us to be changed, transformed and transfigured. Perhaps, too often we look at the transfiguration as something that happened only to Jesus, forgetting that our Lord himself wants us to be changed, transformed and transfigured in the same way; allowing the divine to shine forth through us so that we in turn transfigure each other by the power of God's love in us.

The Mass

The mass is where we can come to experience the glory of the son of God, our wounded messiah. This is the only place we can come and be filled with His spirit. At our Sunday mass and indeed all masses, we are like Peter, James and John going up the mountain with Jesus. The peak of this mountaintop experience for us is during Holy Communion when we will all come up as if we are indeed going up to the mountain. This supreme meal will transform us into the image of God's son. Yes! It is awesome! It's amazing!

The power of Prayer

Jesus and the three apostles went up the mountain to pray! It was during this moment that the apostles saw the glory of Jesus which prompted Peter to cry out: "Lord, it is good for us to be here..." Indeed, wonderful things can happen when we draw close to God in prayer; when we really and truly lift our hearts and mind to God! Inner transformation happens when we enter into spiritual communion with our God in prayer; we are transfigured, we are changed!

May we always put our faith in the Lord Jesus and allow Him to transform us.

Have a good week!
Fr. Paul
