Jesus the Miracle worker

In today's gospel, Jesus performed two great miracles: the healing of the woman who had been suffering from hemorrhages for twenty years and the raising of Jairus' daughter. These great miracles are powerful signs that even in our own time God is still interested in us. When the woman in the gospel touched Jesus, He quickly noticed that power had gone forth from Him! Jesus is quick to identify with those who suffer. Suffering and sickness touches His heart in a profound way. He was sent by God that we may have life and have it in full. By raising the young girl, He proves that He controls death and life! Yes, God does care about us, He truly does!

Pastoral Year End

As we come to the end of the pastoral year, I would like to thank our many volunteers and the various committees and ministry heads whose dedicated efforts made the dynamic life of our parish possible. Your gifts of time and talent are greatly appreciated. I especially thank the temporal affairs and pastoral councils, our Knights of Columbus, CWL and our Parish Mission Team for their invaluable contributions to the leadership of our parish.

As summer begins, I would like to wish everyone a safe and restful summer holiday and especially those who will be travelling, may the almighty and merciful God make your journey peaceful and prosperous!

May God bless us all!

Fr. Paul

INTENTIONS OF THE HOLY FATHER FOR JULY: That political responsibility may be lived at all levels as a high form of charity. That, amid social inequalities, Latin American Christians may bear witness to love for the poor and contribute to a more fraternal society.
