Seniors Corner : A Shout out for our Seniors!

As the pandemic drags on, loneliness and social isolation continue to be a serious concern, especially for our seniors. Even just a few minutes on the phone can help to make someone feel wanted, connected, and alive. At the same time however, more and more of our ability to connect with each other depends on the use of computer technology, which can be difficult for older adults. "Connected Canadians" is a non profit organization that provides free technology training and support to seniors. For more information on how they can help, visit <https://www.connectedcanadians.ca> . For information on other seniors benefits and services available, or assistance during the pandemic, call 211, or visit <https://211ontario.ca> . Thank you to everyone for reaching out and staying connected with your elderly neighbours, family, friends, and greater community in this time of need!

Let us pray that those in charge of finance will work with governments to regulate the financial sphere and protect citizens from its dangers.
