### *Thirty-Third Sunday in Ordinary Time (Year A)*

Jesus told His disciples this parable: “A man going on a journey called in his servants and entrusted his possessions to them. To one he gave five talents; to another, two; to a third, one—to each according to his ability. Then he went away.” **Matthew 25:14–15**

Many people dream of doing great things in this life. Those who play sports dream of winning the championship. Those in business dream of growing their business. Artists and actors dream of becoming well-known. In almost everything we do, we dream of excelling. This drive is part of the natural desires God has given to us.

When it comes to the most important part of our lives, we must strive to excel also. What is the most important part of our lives? It is the calling we have received to serve the will of God. Therefore, we must strive to unite our natural desire for excellence with our faith so that we will be driven to fulfill the glorious mission God has entrusted to each one of us. Every natural ability we have must be seen as a gift, given to us by God for the purpose of glorifying Him and furthering His Kingdom on earth. In our parable today, the man who went on a journey entrusted each of his servants with a large sum of money. To one he entrusted five talents; to another two; to a third, one. A talent was a measurement of precious metals such as silver or gold. However, when the master returned, he referred to this initial gift to each as a small amount and then promised to entrust a large amount to the two servants who used the talents well. From a human perspective, we should see the natural gifts that God has given us as a huge amount. From a divine perspective, we must see every natural gift from God as only the beginning. God has so much more He wishes to bestow upon us. In order to obtain those riches of grace, we must first use well what we have been given for God's glory and for the furtherance of His Kingdom.

What has our Lord entrusted to you? What gifts and talents do you have? As you think about your natural talents, consider how well you use them for the service of God. Using your natural abilities only for yourself is the same as refusing to use them for God. To the one man who was entrusted with one talent and did nothing with it, the master said, “You wicked, lazy servant!” He then took the one talent away and gave it to the one with ten who was responsible with the master's money. So in our lives, if we fail to dedicate our natural abilities to the service of God, we will lose even the little we have. But if we unite our natural desire for greatness with the call to serve the will of God, then there is no limit to the riches of grace God will bestow.

Reflect, today, upon how diligent you are in your drive to fulfill the will of God in your life. If you feel as though you cannot make much of a difference, then try to dispel that idea. Try to do small things well. Work at perfecting your charity in your daily life. Commit yourself to daily prayer. Strive to weed out all sin in your life. Do the small things well and God will smile on these little offerings and transform them into a superabundance of grace.

*Most generous Lord, You have entrusted to me a particular mission in life. May I work to excel in that mission, even if it seems small and insignificant. As I do, please pour forth Your abundant blessings of grace so that I will excel in giving You the greatest glory possible and will be a greater instrument of the coming of Your Kingdom on earth. Jesus, I trust in You.*

### Let's heed the cry of the Earth, the cry of the poor and act!

#### Development & Peace 2023/2024 Stand for the Land & Water Defenders in Honduras Campaign

Pope Francis calls us to hear "the cry of the earth and the cry of the poor" (Laudato Si', 49). Since 2015, the communities of Guapinol and the San Pedro sector in Honduras have been trying to be heard. In their struggle for justice, defenders are attacked, criminalised, and even killed. Eight defenders were unjustly imprisoned for over two years, and three people have been murdered since January, 2023. "The Government of Honduras must act diligently and suspend these extractive activities, which are carried out illegally and with total disregard for the environment."

— Elvin Hernández, human rights investigator, ERIC–Radio Progreso sign the letter attached to the D&P campaign display board in the foyer to the Honduran ambassador to Canada asking her government for protection, justice, and reparations for the environmental damage from the open pit iron ore mine in Carlos Escaleras National Park ([devp.org/act](http://devp.org/act)). You can sign physically or online (at [devp.org](http://devp.org)), or both. Questions? Please speak with Janye Elser-Ethier, parish D&P representative & archdiocesan D&P council chairwoman [elsertrethierjanyce@gmail.com](mailto:elsertrethierjanyce@gmail.com) or 343-463-4381.
